

# SEEKING PARTICIPANTS & STORIES

for a WORKSHOP SERIES creating content for A Prairie Homeless Companion - live performance and broadcast in Central Minnesota.

## A PRAIRIE HOMELESS COMPANION

Modeled after the well-known radio show A Prairie Home Companion, A Prairie Homeless Companion is both humorous satire and serious look at housing instability in Greater MN. Listen to the radio play version and learn more about the Central MN adaptation project here: [zamyatheater.org/prairie-homeless-companion](http://zamyatheater.org/prairie-homeless-companion)

## What is the workshop?

Hosted by Oasis Central Minnesota and zAmya Theater Project, artists will lead writing prompts and theater exercises designed to help participants develop personal stories into monologues, scenes, poems or songs. Participants will be invited to share these in a showcase at the end of the workshops and submit them for inclusion in A Prairie Homeless Companion fall performance and podcast.

## Who can participate?

All are welcome, including children ages 10+. People with lived experience of homelessness are especially invited.

Those with lived experience get a \$20 Walmart gift card per event.
